

VIGILSHORE™

How to View Our Insights, News, and Reports

At VIGILSHORE, staying informed about the latest industry trends, market analysis, and our internal developments is crucial. Here's how you can easily access our **insights, news, and reports**:

1. Open a Venture Account to Access Insights

- a. To access our exclusive **insights, reports, and news**, you need to open a **venture account** with us. This will provide you with the necessary tools to view tailored reports, market trends, and strategic advice.
- b. By creating an account, you'll unlock access to our comprehensive resources, giving you an edge in managing risk and capitalizing on investment opportunities.

2. Visit Our Corporate or Public News Page

- a. Clients can find the latest updates, market insights, and corporate news on our **Corporate or Public News** page.
- b. This page includes our latest **industry reports, company news, and market trends** that are available to the public, ensuring you stay up-to-date on what's happening in the industry and within Vigilshore.

3. Check Your Account or Request a Personal Consultation

- a. Regularly check your **venture account** for updated **reports and insights** specific to your investments or business interests.
- b. If you have any specific questions regarding your ventures, finances, or other concerns, you can also **request a personal consultation** with our team. We'll provide tailored insights and advice based on your individual needs and goals.

4. Request a Copy or Follow Your Department's Pages

- a. You can **request a copy** of any specific **reports** or **insights** you need from our team. Simply reach out to us, and we'll provide the necessary documentation or advice tailored to your needs.
 - b. Additionally, by **following your department's pages** within our platform, you'll receive real-time updates and personalized insights related to the department you're most interested in.
- 5. Pay for In-Depth Consulting or Get Your Niche Report**
- a. For those seeking **in-depth analysis**, you can **pay for consulting services** where our team will provide detailed, tailored reports and market insights for your specific ventures or interests.
 - b. Alternatively, you can access **niche-specific reports**, which focus on particular areas that align with your investments or business strategies.
- 6. Reports Released When Needed**
- a. New **reports** and **insights** are released as necessary, typically after significant market changes, major internal reports, or key industry developments.
 - b. Clients will be notified of new insights and reports through their **venture accounts** or via our **corporate pages** as updates arise.
