

VIGILSHORE

Partners in the UNION

Scope of Partnership

VIGILSHORE collaborates with businesses that contribute to the UNION through a variety of services and benefits, including media, client campaigns, connections, and other mutually beneficial opportunities. These partnerships are formed to enhance the value provided to both clients and businesses. The specific terms of each partnership will be agreed upon in separate agreements, outlining the exact contributions, deliverables, and benefits for both parties.

Obligations and Professional Conduct

Partner businesses are required to act in a professional and ethical manner in all activities involving VIGILSHORE's brand. Any use of the VIGILSHORE name, logo, or any other brand elements must align with the agreed-upon standards and be used in a way that reflects positively on the brand. Any actions or behaviors that undermine the reputation of VIGILSHORE or its clients will be subject to review and potential termination of the partnership.

Exclusivity and Non-Compete

Partnered businesses are not restricted from entering into other business relationships or partnerships, provided that such relationships do not directly compete with or conflict with the goals and values of the UNION. However, any new partnership that may affect the UNION's business interests must be disclosed to VIGILSHORE for review.

Termination and Exit

A partner business may exit the UNION at any time by providing written notice to VIGILSHORE, along with a valid reason for termination. Upon notice, the partner will comply with all obligations and ensure a smooth transition. Any financial or contractual obligations that remain at the time of exit will be settled according to the terms of the partnership agreement.

Governing Law

These terms and conditions shall be governed by and construed in accordance with the laws of the jurisdiction in which VIGILSHORE operates. Any disputes arising out of or in connection with these terms shall be subject to the exclusive jurisdiction of the courts in that jurisdiction.
