

VIGILSHORE

VIGILSHORE News Policy

1. Introduction:

VIGILSHORE is committed to providing accurate, timely, and relevant news about our company, sectors, and ventures. This News Policy outlines the guidelines for creating, sharing, and maintaining news content. It is essential to acknowledge that despite our best efforts, inaccuracies may occasionally occur, and users are encouraged to verify important information.

2. Scope of News Content:

The news content will cover the following areas:

- Company Announcements
- Sector and Venture Updates
- Product and Service Developments
- Partnerships and Collaborations
- Regulatory or Legal News
- Internal Changes (e.g., leadership, policies)

3. Tone and Style:

All news content will maintain a professional and formal tone. Our goal is to communicate information clearly, accurately, and with authority, while ensuring consistency with the values and mission of VIGILSHORE.

4. Frequency of Updates:

News updates will be published on a weekly or monthly basis depending on the relevance and volume of content. Time-sensitive news will be prioritized as needed.

5. Content Creation and Approval:

News content will be created and approved by the main office of VIGILSHORE or the relevant venture offices. All content will be thoroughly reviewed before publication to ensure consistency and accuracy.

6. Handling Inaccuracies and Errors:

In the event of errors or inaccuracies, the news article will be updated promptly. VIGILSHORE will strive to correct any inaccuracies as soon as they are identified, and users are responsible for checking updates to ensure they have the latest information.

7. Distribution Channels:

News will be shared through the following platforms:

- VIGILSHORE Website
- Social Media Accounts
- Participating News Platforms

8. Third-Party Sources:

While we strive for accuracy, VIGILSHORE acknowledges that external content or third-party sources may not always be fully verified. Users should take caution and verify information, especially when sourced externally.

9. Time-Sensitive and Urgent News:

For urgent or time-sensitive news, updates will be prioritized and published promptly. These updates will be clearly marked to ensure they are easily identified by users.

10. User Responsibility:

It is the responsibility of all users to check for updates and verify important information provided in our news articles. While VIGILSHORE will make every effort to keep content accurate, users should consult multiple sources for critical decisions.

11. Liability and Disclaimer:

VIGILSHORE makes no warranties regarding the accuracy or completeness of the news content. By using our news platform, users agree that VIGILSHORE is not liable for any errors, omissions, or misstatements in the news provided. In case of inaccuracies, VIGILSHORE will update the relevant content as necessary, but users accept the risk of reliance on such content.
